# Big Beard BATTLE

Always wanted to have a huge beard?! Now's your chance! Play Big Beard Battle with your friends and try to be the first to grow the biggest beard.

## Contents:

- 4 different coloured Moustaches
- 16 Big Beard cards
- 1 pair of scissors
- 1 razor
- 1 spinner
- 68 Velcro dots

## Object of the game:

Be the first player to win 4 beard pieces!

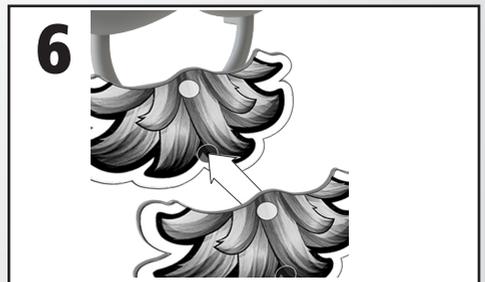

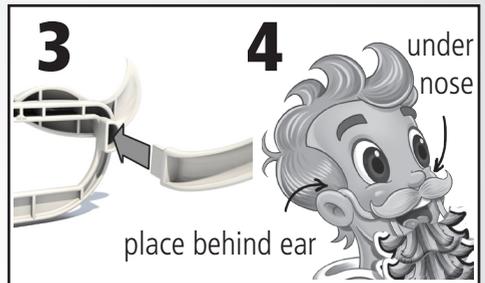

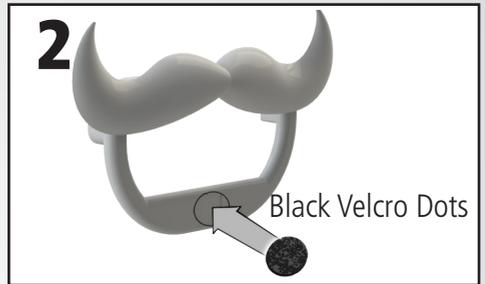

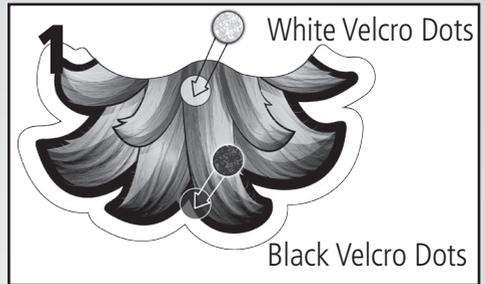

## Set up:

Place the Velcro dots on the Big Beard cards based on the following colour coding (1) white Velcro dots on the top and black Velcro dots on the bottom of the cards on both side and (2) the black Velcro dots on the Big Beard holders.

After that insert the arms into the back of the moustache frame(3), and place the holders on your face by placing the arms on top of your ears and the holder underneath your nose(4).

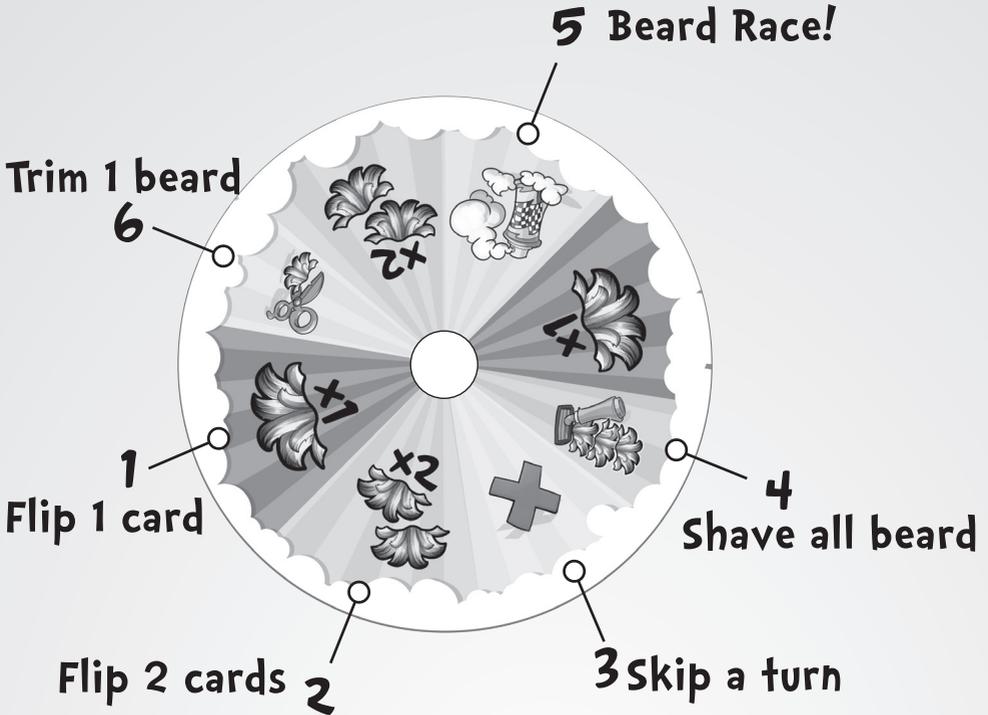

Place all the Big Beard cards on the table with the shaving cream sides facing upward (5). Place the spinner, the scissors and the razor on the table. Put on the moustache of your favorite colour. You're now ready to play!!

Note: To connect the beard cards place the bottom card with the white Velcro dot onto the top card with the black Velcro dot (6). The cards should immediately stick together.

## How to play:

The youngest player starts, and play continues clockwise. Spin the spinner! The spinner contains the following options:

1. Flip **one card** to reveal the colour on the back of the card. If you are lucky enough that the colour of the flipped card is the same as your moustache piece, you get to add that Beard piece to your moustache. If not, then you must leave it turned over. (DO NOT turn it back!)
2. Flip over **two cards** to reveal the colour on the back of the card. Add the Beard piece with the correct colour to your moustache. If they don't have your colour, don't turn them back and leave them on the table.
3. Skip a turn. You don't get to flip over any cards in this turn.
4. Use the razor to shave **all the beard pieces** of a player of your choice (A). Detach all the cards from each other and place them back in the middle of the table.

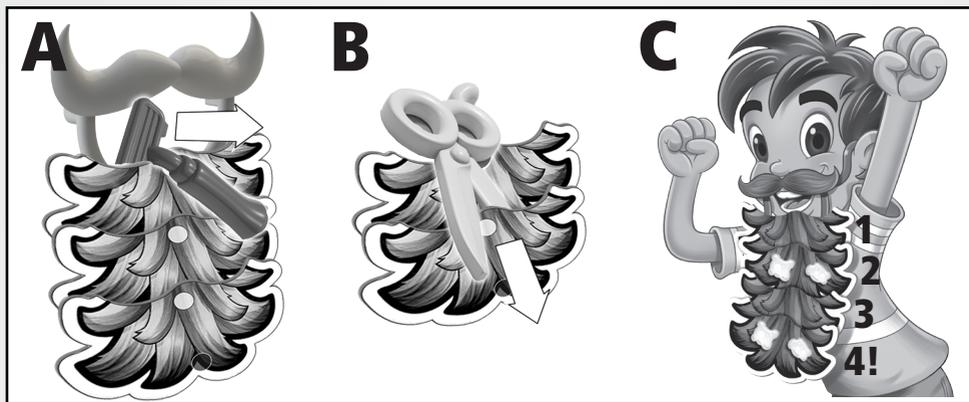

5. **Beard Race!** HURRY!! The first to touch a card that has their **colour and a dot of shaving cream** on it wins this round, and can add the card to their Big Beard. All players can to participate! You don't have to flip the card!

6. Use the pair of scissors to trim off **only one beard card** of a player of your choosing (B). Place the card back in the middle of the table.

**Tips & Tricks** - Always remember the colour of the card that is flipped. If it wasn't your colour, you must remember NOT to flip it again. But if the colour of the card that is flipped, was the same as your moustache, remember that in your next turn, when you flip that piece, you can add it on to your BIG BEARD!

## How to win:

The first player to have a Big Beard made out of four cards (C) wins the game!
