# OBJECTIVE:

Be the fastest to knock down all the bowling pins by swinging the bowling ball attached to the headband.

# ASSEMBLY:

1. Open up all the bowling pins.
2. Fill in the lower part of the pins and the two bowling balls with water to add some weight to them (A). To make the game easier, you may skip this step.  
NOTE: Use only clear tap water to fill the bowling pins.
3. Close all the bowling pins firmly.

# SETTING UP:

1. Arrange the red pins from big to small in a straight line. Make sure there is around 2 feet (50-60cm) of distance between the pins (B).
2. Similarly, arrange the blue pins in a parallel line to the red ones (C).
3. Put on the headband (D).

# HOW TO PLAY:

1. Pick a referee to count down the start of the game.
2. Each player swings their head to knock down the bowling pins with their bowling ball. Players must not touch the string at any time during the game.

# HOW TO WIN:

The first player/team to knock down all the bowling pins wins the game.

# ALTERNATIVE GAME PLAY:

- Divide into two teams, Team Red and Team Blue, with no more than four players in each team.
- The referee counts-down to start the game.
- Each team member must knock down one bowling pin and pass the headband to the next player, until all the bowling pins are knocked down.
- The first team to knock down all the targets wins the game.
