BOX INCLUDES:

- 4 x Sumo characters
- 1 x Sumo ring with pop-up tower
- 1 x Instruction manual

OBJECT OF THE GAME:

Becoming the King of the Ring and bumping your opponents off the stage requires speed, skills and superfast, ninja-like reflexes.

GETTING STARTED:

- Place the sumo ring platform in the middle of the table.
- All players pick their favorite sumo wrestler and choose a side of the ring to sit or stand by.
- Wind up the timer on the bottom of the sumo ring.
- You are now ready to start!

HOW TO PLAY:

At the count of '3, 2, 1' go! The players start rolling their wrestlers across the platform in an attempt to make them come to a stop in the middle of the ring. When a wrestler stops in the middle of the ring, others try to knock it out. Each time a wrestler stops in the middle of the ring, the countdown timer will be activated. Throughout the game, players will need to keep track of their sumo wrestler with their color and continue sending that wrestler into the ring. Watch out, the game will get active as all the sumo wrestlers slide into and out of the ring.

HOW TO WIN:

The countdown timer will continue ticking down each time a sumo wrestler stops in the middle of the ring. When the timer runs out, the platform will pop sending the winning sumo wrestler to the top and crowning the King of the Ring.

PLAY AGAIN:

To play the next round, push down the tower, snap it back into place and rewind the timer.
